The Qur'an is the Word of Allah revealed to the Prophet Muhammad SAW as a miracle written on a mushaf, which was revealed in a mutawatir manner and reading it is an act of worship. As Muslims who are obliged to maintain and guard the Qur'an, there are several ways to maintain it, including reading (al-tilawah), writing (al-kitabah) and memorizing (at-tahfidz), so that the revelation is always maintained and preserved from changes and replacements, both letters and word order throughout time.

The Tahfidz Acceleration Program in improving students' memorization of the Qur'an is one of the leading programs at MTs Terpadu Misykat Al Anwar Kwaron Diwek Jombang, where this program aims to produce a superior and pious generation.

There are three focuses in this study, namely: 1) How is the role of extra tahfidz in improving students' memorization of the Al Quran which is implemented at MTs Terpadu Misykat Al Anwar Kwaron Diwek Tebuireng Jombang, 2) What are the inhibiting and supporting factors in extra tahfidz at MTs Terpadu Misykat Al Anwar Kwaron Diwek Tebuireng Jombang, 3) How is the empowerment of supporting factors and the resolution of inhibiting factors in extra tahfidz at MTs Terpadu Misykat Al Anwar Kwaron Diwek Tebuireng Jombang

The type of research used by the author is a case study research, the approach uses a qualitative approach, while the methods used are observation, interview and documentation methods. This qualitative research is intended to understand the phenomenon of what is experienced by the research subjects, for example behavior, perception, motivation, actions, and others related to the role of the Tahfidz Acceleration Program in improving students' memorization of the Al Quran, supporting and inhibiting factors and solutions to inhibiting factors.

Based on the results of the study, it can be concluded that the role of extra tahfid in improving students' memorization of the Qur'an is: 1), improving students' memorization of the Qur'an 2), producing alumni who excel in the Qur'an 3), producing a generation who loves the Qur'an 4), making a generation with noble character.

Keywords: the role of the Tahfidz Acceleration Program, students' memorization of the Qur'an.
